BRED BY THE VIKING: THE VIKING'S VIRGIN SLAVE BY FRANCIS ASHE PDF

When a rampaging band of marauders sets the small village of Aventine-on-Thames afire, virginal Leta is roused by her brother and sent scampering into the nearby woods for safety. Apparently out of harm's way, she beds down under a shrub and weathers the night. As dawn breaks, Leta is torn from her cubby by Ragnar, the leader of a rowdy gang of Vikings. At once, he terrifies her, but Leta cannot deny the excitement - forbidden excitement - that this man from the North raises makes her feel.

Will she run? Will she hide? Or will she give up her purity, give up her innocence, and be Bred by the Viking?

Warning: This 10,000+ word wild, erotic sizzler features forbidden pleasures, danger, excitement, a reluctant maid, defloration, a first time sexual experience, a Viking warrior with a gruff exterior and a heart of gold, rough sex play, hair pulling, deep throating, explicit sexual situations, a huge internal finish, and the promise of something Leta has always wanted.

A different kind of historical erotica

By Meghan Boehners

I'm spreading my...interests and reading new (to me) subgenres of erotica, and Bred by the Viking is in a field I don't normally read. The characters are well developed and the plot is interesting -- Leta experiences a transformation through her encounters with Ragnar, and that transformation is key in good erotica. My only complaint -- I wish the story were longer!
