Building Modern Communication Skills to Launch Your Career

Business Communication Essentials equips students with fundamental skills for a career in the modern, mobile workplace. With comprehensive coverage of writing, listening, and presentation strategies in a contemporary context, this text balances basic business English, communication approaches, and the latest technology in one accessible volume.

Over the last two decades, business communication has been in constant flux, with email, web content, social media, and now mobile changing the rules of the game. In the Seventh Edition, Bovee and Thill provide abundant exercises, tools, and online resources to prepare students for the new reality of mobile communications and other emerging trends, ensuring a bright start in the business world.

Also available with MyBCommLab®

MyBCommLab is an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts.

Beware: no kindle cloud reader access for computers.

By Barry Hull

This is a useful text, with good information that is well presented; however, the kindle version is restricted from being used in the amazon kindle cloud reader. For a student who uses multiple computer lab stations, this is almost a deal breaker. Most lab stations do not allow installation of any third part software, which is the only way to use the book on a computer. It is available on most tablets that can download the amazon kindle app, but these are not always ideal for reading some of the small text. The kindle version will be worthy of a 5 star rating when it becomes available on the kindle cloud reader app.

Great Communications Book

By JD

This book was for use in my business communications course. It seems to be very informative, unbiased, and simple to understand and follow. If you've ever looked at improving your business communications skills or improving your leadership capabilities, this book will definitely set you on the right track.

Extremely Helpful Book for Academics and Professionals

By fthomps2

I had to use this book for my Business Communications class, and I loved the visuals, explanations, tips, and content of the book! It is an easy and very great read for people learning about the workforce and starting to look for employment in their early-career stage. Highly recommend!
