It can be the one that truly love reading.

CLOSE TO HOME (SAVANNAH MARTIN MYSTERIES) (VOLUME 4) BY JENNA BENNETT PDF

Book 4 in the Savannah Martin mystery series. Savannah has always been a good girl, doing what was expected and fully expecting life to fall into place in its turn. But when her perfect husband turns out to be a lying, cheating slimeball - and bad in bed to boot - Savannah kicks the jerk to the curb and embarks on life on her own terms. With a new apartment, a new career, and a brand new outlook on life, she's all set to take the world by storm. If only the world would stop throwing her curveballs... Savannah's late. The kind of late that comes with midnight feedings and the pitter-patter of little feet. And while it's a circumstance that should make everyone happy - now she can finally settle down and marry Todd Satterfield, the way everyone's been hoping and praying! - it isn't Todd's baby. And Rafe, whose baby it is, didn't sign on for fatherhood. Add in the murder of Savannah's sister-in-law Sheila, the trial of Sheila's friend Marley, and the disappearance of Rafe's twelve year old son David - the kid he never knew he had! - and things get complicated fast. And there is worse to come: When Rafe comes back to Nashville to help look for David, and learns that Savannah's pregnant, things do not work out the way Savannah had hoped. In the end, she's left with nothing she wanted and a whole lot of trouble she didn't, and for once, Rafe's not there to save the day.

I bought the box set of 1-3 as I have ...

By Lisa Marie James

I bought the box set of 1-3 as I have never read her books before couldn't put the down. Live how they keep the story and people the same from one book to the next.

Heartwrenching, Yet A Must Read

By Tullia

In this fourth book in the Savannah Martin mysteries, Savannah is faced with her own health issues and her

conflicting relationship with Rafe Collier. This book is such a profound, emotional venture into Savannah's private life that I found myself so upset for her and at times in tears. Only a good author can do that. And Ms. Bennett is certainly just one good author.

Savannah is also extremely upset with the news that her sister-in-law, Sheila, has been killed, and she is determined to find out who murdered her and left her two beautiful daughters without a mother. And succeeds she does in unmasking the murderer. She also succeeds in finding the heir of Elspeth Caulfield, who is an eleven-year old boy, and a Rafe look-alike. She also becomes involved in helping a young woman who is on trial for killing her son who disappeared two years prior to this trial. Todd is relentlessly prosecuting, and Savannah is concerned that this young woman may be telling the truth that her child was kidnapped, and she did not kill him.

Most important, Savannah comes into her own in this novel, and emerges more independent. She comes to terms with her own emotions and with her relationship with her oh so self-righteous mother. Her mother, of course, will never change. She will always embrace that Old World Southern "charm," which exudes that polite exterior, concealing the bias and prejudices toward anyone who is not of her social strata, especially toward African Americans and biracial individuals such as Rafe Collier. Rafe is not worthy of her daughter, and she can't understand why Savannah has a friendship with him.

"Close to Home" is the best of the Savannah Martin mysteries so far. It tugs at your heart strings.

Stronger than ever, Close to Home is and awesome read.

By Jeanie Jackson

Emotion packed suspense pushes this forth novel in the Savannah Martin Mystery Series to a an even high level than the previous books in the series. For the most part the story moves away from real estate and more into Savannah's personal life. While Savannah works to track down the boy in the picture who looks a lot like Rafe, from Contract Pending, mystery and tragedy strike even closer to home in this story. Because she has personal ties to both situations, Savannah pushes harder than usual to resolve the mysteries. Bit by bit, the whole family learns about Savannah's relationship with Rafe. While Rafe makes a pivotal visit, he is not available to support Savannah through most of her trying times.

Dix plays an even greater role in this book than the last one. I see definite opportunities for "Tammy's" role to expand so it will be interesting to see what happens there. After the last book, I had wondered if there was a chance for a romance between the detective and Todd because she is a strong enough woman that he would not be able to suffocate her the way Savannah feels she is being suffocated. That possibility still exists but now I am looking for her role to expand in another direction in the long run. I like to see that she is a good person and a good cop.

There are a couple of times that I really want to have a chat with that girl but the fact in that she acts and feels based on her life, not my mine. These are people that I have come to care about; a good author makes the characters real enough for us to care about even if it mean we get irritated with them. J. Bennett make her characters matter.
