La Magia Draconiana

By C.J.

Si estás buscando dentro de la magia draconiana una forma de iniciarte de manera increíble, sin lugar a dudas, debes adquirir este tomo. Si haz estado coleccionando los libros del gran Michael Kelly, este libro es una compra obligada. Michael Kelly es un autor que te dice las cosas como son, sin rodeos ni juegos esotéricos que cansan al verdadero buscador, y sin darle vueltas al asunto del Sendero de la Mano Izquierda. Michael Kelly nos lleva desde el principio con su libro de Apofis, hasta la preparación final de la gran iniciación del dragón en este libro: Consciencia Draconiana. Si no conoces más libros del autor, te recomiendo que también adquieras: Apofis, Escamas de Dragón y Aegishjálmur, además de sus libros en inglés. Valen su peso en oro.
