CRITICAL SOCIAL THEORIES: AN INTRODUCTION BY BEN AGGER PDF

This text, written expressly for upper-level undergraduates and graduate students in sociology, political science, English, and humanities courses provides a cogent and accessible explanation of critical social theory. Ben Agger introduces students to the Frankfurt School, postmodernism, theories of multiculturalism and difference, feminist theory, and cultural studies. Arguing for an integration of these theories, *Critical Social Theories* is a useful supplement to social theory texts. Throughout the book, Agger considers implications of critical social theory, making the book highly relevant to mainstream sociologists seeking theoretical guidance.

Most helpful customer reviews

6 of 8 people found the following review helpful.

A good book for an amateur Philosopher!

By JOSHUA J DIVINE

Dr Agger has simplified the school of thought emerging on today's known as "critical social theory." This is a work which should be read before going to deep into the extremely complex issues of philosophy. This book will help those of us who have not alot of experience with philosophy understand the issues which are focused on in college philosophy classrooms!
