The abyss of passion

By AK

There are situations when sensibility reaches its limits. Then, exploring beyond those limits becomes a very dangerous yet necessary venture. Peter Shaffer showed us a beautiful story of such exploration. The story where unbearable and inevitable are the two sides of the same coin. I enjoyed it deeply.

Haunting

By Chimey Evans

It questions the main focuses of Catholicism as we know it, with sexual and demented twists. Exquisitely written and extravagantly portrayed to reflect the imagination and influence of human thoughts.

A disturbing and moving film

By Amazon Customer

After watching this movie, it stayed in my mind for days. I kept thinking about what the psychiatrist said about having passion in life, whether it be from a disturbed mind or a middle-aged burnt-out psychiatrist. Oh, I know I'm getting it all wrong. You'll have to see the movie. It really makes you think.

Richard Burton and Peter Firth give once-in-a-lifetime performances, ones that I will always remember.
