## Review

"...a heart-rending account of a tragic, inexplicable figure." - Record Collector Magazine

"The story of Tiny Tim's life is alternately heartbreaking, infuriating, and head-scratching. And with scores of new interviews, and access to Tim's own personal (and very frank) diaries, this book makes for a compelling, if lengthy read for the non "Tiny Head." - Houston Press

"The authors are to be commended for handling the complexities of this complicated yet beautiful spirit...they've produced one of the most honest and revealing biographies of the year, one that tells its story well, warts and all." - The Recoup

"It's the best book about Tiny Tim IMO, with far more info than the others, and what seems to me like a balanced attitude toward this complex and remarkable man, who was such a magnet for controversy. His story is all there, the depressing parts and the thrilling parts. I'll be referring to this a lot, and cursing the publishers every time for not including a %\$&?% index!" - Dr. Demento

"I love this book. It's exactly the right feel. Tiny Tim had an almost magical power to destroy cynicism in

every one he encountered from Bing Crosby to Howard Stern, from Lenny Bruce to John Lennon, from Sinatra and Carson to all the rest of us. This hardcore atheist says without irony, 'God Bless Tiny Tim.'" - Penn Jillette (1/2 of Penn & Teller)

#### About the Author

Justin Martell is an independent filmmaker and writer. Considered 'one of America's foremost experts' on Tiny Tim, he has consulted on and contributed liner notes to two posthumous Tiny Tim releases, *I've Never Seen A Straight Banana* (Collector's Choice, 2009) and *Lost & Found: Volume 1* (Secret Seven Records, 2011). In 2013, he put out a previously unreleased Tiny Tim track on a limited-edition Edison wax cylinder, which Time.com dubbed the 'most retro record release ever'.

Alanna Wray McDonald is a poet, writer, and freelance art director for film and television. She resides in Iowa and Brooklyn, New York.

You will certainly get this *Eternal Troubadour: The Improbable Life Of Tiny Tim By Justin Martell* by online. After downloading, you could conserve the soft documents in your computer system or gizmo. So, it will reduce you to review this book *Eternal Troubadour: The Improbable Life Of Tiny Tim By Justin Martell* in particular time or place. It could be unsure to appreciate reading this e-book [Eternal Troubadour: The Improbable Life Of Tiny Tim By Justin Martell](#), because you have great deals of job. However, with this soft data, you can delight in reading in the extra time even in the spaces of your jobs in office.

# **ETERNAL TROUBADOUR: THE IMPROBABLE LIFE OF TINY TIM BY JUSTIN MARTELL PDF**

As Bing Crosby once put it, Tiny Tim represents 'one of the most phenomenal success stories in show business'. In 1968, after years of playing dive bars and lesbian cabarets on the Greenwich Village scene, rubbing shoulders with the likes of Bob Dylan and Lenny Bruce, the forty-something falsetto-voiced, ukulele-playing Tiny Tim landed a recording contract with Sinatra's Reprise label and an appearance on NBC's Laugh-In. The resulting album, *God Bless Tiny Tim*, and its single, 'Tip-toe Thru' The Tulips With Me', catapulted him to the highest levels of fame. Soon, Tiny was playing to huge audiences in the USA and Europe, while his marriage to the seventeen-year-old 'Miss' Vicki was broadcast on *The Tonight Show* in front of an audience of fifty million. Before long, however, his star began to fade. Miss Vicki left him, his earnings evaporated, and the mainstream turned its back on him. He would spend the rest of his life trying to revive his career, with many of those attempts taking a turn toward the absurd. But while he is often characterized as an oddball curio, Tiny Tim was a master interpreter and student of early American popular song, and his story is one of Shakespearean tragedy framed around a bizarre yet loveable public persona. Here, drawing on dozens of new interviews, never-before-seen diaries, and years of original research, author Justin Martell brings that story to life with the first serious biography of one of the most fascinating yet misunderstood figures in popular music.

**DEFINITIVE!**

By Ben

Over ten years in the making, this book is the definitive history of Tiny Tim and his unique place in popular culture. Incredibly detailed, Martell has left no stone unturned documenting not only the height of Tiny's success but also the early years of struggle and ridicule and the later years when Tiny toiled in obscurity. Riviting from start to finish, I can't recommend this book enough!

As encyclopedic an overview as the subject himself was about music

By Bill

Tiny Tim fans [as well as popular music aficionados] rejoice! At long last, THE book about all things Mr. Tim has arrived, and we are the richer for it.

From his New York beginnings where the seeds of musical interest were planted by endless hours of listening to crooners from the turn of the [last] century to a long, hard climb up the success ladder in Hollywood and beyond to his final years of working and living in the mid-west, Mr. Martell and Ms. McDonald have exhaustively chronicled the life and times of the 'eternal troubadour,' as the late Martin

Sharp called him.

In one volume, the authors have gathered together the recollections of dozens of insiders, along with Tiny Tim's own unique perspective on his life and times.

It is a journey through a short, fully lived life that I suspect will become THE source for the last word on the wonderful world of Tiny Tim.

Tiptoe through a lifetime

By Ron Ray John Jr.

This is the definitive life story of Herbert B. Khaury aka Tiny Tim. It chronicles every aspect of his life from the beginning to the end and draws on interviews from those who knew him best. I was born in the mid eighties and I must admit I was creeped out by Tiny Tim as a child. If you only know him for his #17 pop hit, I encourage listening to some of his music or better yet, watch some videos on YouTube. The man was an encyclopedia of music knowledge and was extremely talented. I don't think you'll find a better book on the subject matter. What an amazing life.
