Merely click and download and install, you can possess the *Extraordinary Outcomes: Shaping An Otherwise Unpredictable Future* By Iris R. Firstenberg, Moshe F. Rubinstein When simplicity will ease your life, why should take the challenging one? You could buy the soft file of guide *Extraordinary Outcomes: Shaping An Otherwise Unpredictable Future* By Iris R. Firstenberg, Moshe F. Rubinstein here and be member of us. Besides this book [Extraordinary Outcomes: Shaping An Otherwise Unpredictable Future By Iris R. Firstenberg, Moshe F. Rubinstein](#), you can additionally discover hundreds listings of the books from lots of sources, collections, publishers, as well as authors in around the globe.

From the Inside Flap

The future is not as straightforward as it once was, and it has rapidly become clear that the traditional ways of doing business are rapidly becoming obsolete. Leaders are ready and willing to change over to the new approaches, but what exactly are those approaches? In a world of rapid change, where uncertainty is the norm, can we ever know what really works? The short answer is, yes we can, but it requires a thorough understanding of what uncertainty really means to us on a daily basis. *Extraordinary Outcomes* is a remarkably lucid account of how we work with, rather than against, constant change.

Using uncertainty to your advantage requires becoming resilient enough to weather whatever storms might come. As this book shows, sometimes we even need to embrace the uncertainty. For leaders, this means building flexible teams and bringing out the best in each individual. Unpredictable environments and project failures—once universally dreaded—have become status quo across sectors and industries.

The framework in *Extraordinary Outcomes* takes a novel approach to this novel situation, suggesting that we can harness the unpredictable and use change as a catalyst for innovation. But this could take some significant adjustment to the way we view reality. Thankfully, internationally renowned management gurus Iris Firstenberg and Moshe Rubinstein have made this paradigm-shift easy with a clearly organized, concise framework for leading teams to success.

Through research and real-world cases, *Extraordinary Outcomes* presents five key competencies for an uncertain world. This approach is unique because the authors take nothing for granted. Where many management books simply present lists of steps, expecting readers to blindly believe that the steps will work, *Extraordinary Outcomes* makes clear sense of the world we live in. This easy read leaves readers with the sense that the fog has been cleared away, and that there are good reasons for following the authors' advice.

Extraordinary Outcomes will help you establish a big-picture view of your organization and your purpose. The practical, day-to-day steps follow seamlessly as the book provides concrete strategies for building team alignment, encouraging positivity, creating agility, and learning from setbacks. Extraordinary Outcomes shows that adapting to an uncertain future might be just the thing we need to drive success.

From the Back Cover

Praise for Extraordinary Outcomes

“Extraordinary Outcomes provides the rare and rich delight of reading in nearly every paragraph an aphorism or witticism that ranks with the kind of sage advice generally rationed as chapter-starting epigrams, and then in only a few of the chapters of the best management books. Better still, these linguistic gems are woven into trenchant real-life examples of people and organizations who have transcended commonly accepted limitations to make the world a significantly better place. This book will at once make you happier, smarter, and more useful to your teammates.”

—Martine Rothblatt, founder and former CEO, SiriusXM Radio and founder and CEO, United Therapeutics Corp.

“The work of Firstenberg and Rubinstein is a must read for those enlightened organizational leaders whose objective is to succeed in uncertain times. Mammals learn and adapt to changing environments and don’t operate to a fixed master plan or strategy, neither should leaders responsible for the continued success of their organizations as the environment around them changes.”

—The Honorable Daniel S. Goldin, 9th NASA Administrator, retired Chairman and CEO, The Intellis Corporation

“Take care when reading this book. It has so much delicious food for thought you may gain weight just by reading it.”

—Gordon Peters, Founder and CEO, Institute for Management Studies

“Not just a business book on leadership but also a thoughtful and compelling read on how to live a better life. Through the use of fascinating stories and extensive research, the themes are easy to grasp and execute. There are so many great stories, I’m afraid I will dominate the cocktail party conversation for months.”

—George Borst, former President and CEO, Toyota Financial Services

“The authors have created an extraordinarily thoughtful guide for the leader who aspires to define the future. This delightful work is laced with vivid and memorable examples, making it almost effortless to internalize the wealth of practical tools and concepts as you read the book.”

—Ron Sugar, former CEO, Northrop Grumman

EXTRAORDINARY OUTCOMES: SHAPING AN OTHERWISE UNPREDICTABLE FUTURE BY IRIS R. FIRSTENBERG, MOSHE F. RUBINSTEIN PDF

Steel your team against the unexpected by planning for uncertainty

Extraordinary Outcomes presents an innovative approach to thinking and planning, giving leaders a playbook for dealing with uncertainty. Written by internationally recognized authorities on problem solving and creativity in organizations, this book provides an alternative outlook on business strategy and people management for leaders navigating uncertain waters, where the future is anything but guaranteed. The framework is the result of research in multiple fields and the authors' experiences with individuals, teams, and organizations, with examples from real-world situations that illustrate the concepts and dynamics at work to give readers deeper insight. The focus is on conquering uncertainty – eliminating it where possible, reducing it where it can be reduced, and embracing it when it's inevitable.

Traditional ways of thinking and planning do not work in the face of an uncertain future. Frequently there are just no guarantees, nothing written in stone, and even a fortune-teller couldn't accurately predict the outcome. Extraordinary Outcomes helps leaders prepare for that, with strategies geared toward preparedness and embracing uncertainty.

- Learn why skills and talent are only two pieces of a bigger puzzle
- Discover how to better galvanize the team, and keep them motivated long-term
- Connect to a purpose that inspires enthusiastic engagement
- Conquer uncertainty, and develop a strategy for dealing with mistakes

No one likes to be caught off guard, and the consequences can be severe at the organizational level. Leaders can't be psychic, but they can plan for possible outcomes and always have a solution at the ready. For those who like to have an answer for everything, Extraordinary Outcomes provides a roadmap toward an uncertainty-proof strategy for doing business.

AN ENAGING BOOK FULL OF PRACTICAL ADVICE BASED ON SOLID SCIENCE AND TEACHING.

By MOVIEKIDZ LLC

I was fortunate to attend a seminar/class taught by Iris R. Firstenberg at the UCLA Anderson Executive Program last week. I just finished the book...wow. Professor Firstenberg is a remarkable speaker, thoughtful, intellectually engaging; she weaves inspiring stories that illustrate practical strategies for creative problem solving and innovative thinking. The book is an extension of her research, teaching and studies. Accesible full of important details, facts and insight. Worth the investment.

Good in theory but not factual

By 007

Lots of regurgitated words from great books and great leaders where if you are student of leadership have already seen most of it

Author fails to link good in theory to the actual parts that matters the most & and where the readers can benefit or learn

It's a book of what you want to hear instead of what can be done to fix

Inspiring

By Tzania Michelle

Great book--tend to relisten/read it on my way into work or a meeting to remind me of my purpose and impact in the company!
