The description makes you think you bought an actual novel with a beginning, middle, and end. I expected that the girl would overcome her ordeal and escape, but it abruptly ends after 4 short passages. Not impressed.

Tries to be suspenseful and suddenly falls asleep.

By Yeshua Ronia

The words ended before the story ended. A 30 minute read and just as it seemed the story would pick up there was nothing more. Presumably we are supposed to buy the rest of the book somewhere else. I won't be. It is poor writing.
