His method is called Spiral Dynamics Integral, a revolutionary new way of perceiving human nature that lets us understand, predict, and resolve even the most difficult conflicts. In his effort to map the genome of the mind, Dr. Beck has created a tool he calls the Spiral, which charts the underlying reasons for virtually everything that human beings think, believe, and do. Breaking down the "complexity codes" that lie at the heart of a problem, he explains, is the first step toward coming up with a real, lasting solution.
