Not a story, just a boring list of possible stories

By B.Nononymous

This book has absolutely no story. It is a laundry list of possible foes that the hulk could face...if he were part of a story. We all enjoy following a hero through a narrative that ends with a climactic battle; this is not that. I think the best use of this book will be letting our child cut the pictures out or color on them, since again it has as much narrative as a coloring book.

Perfect for little Hulk lovers. Mentions the Avengers too. My 20-month old loves it.
