THE LEGAL TEXTS: THE RESULTS OF THE URUGUAY ROUND OF MULTILATERAL TRADE NEGOTIATIONS (WORLD TRADE ORGANIZATION LEGAL TEXTS) BY WORLD TRAD PDF

The agreements negotiated in the Uruguay Round, which form the legal framework of the World Trade Organization, will govern world trade into the twenty-first century. This volume covers both the original and the updated General Agreement on Tariffs and Trade (GATT), the General Agreement on Trade in Services (GATS), the Agreement on Trade-Related aspects of Intellectual Property Rights, the new procedures for dispute settlement, and the legal framework for the World Trade Organization. This is the definitive reference for all practicing and academic trade lawyers, an essential holding for all international law libraries, and a vital source book for students, economists, and political scientists.

The "Bible" of WTO Law

By K G R

It is not without good reason that this book is referred to in WTO Law as "The Bible". This book contains all the legal text relevant to current WTO law. The short and simple truth is that if you're studying or working in any field involving WTO Law, you'll need this book. Like most government or international organization publications it could use better organizing and have better indexes, but on the whole it does its job more than adequately.

WTO Uruguay Round Legal Texts

By Steve

The WTO Legal Texts, copublished by the WTO and Cambridge University Press, is a essential reference for anyone working on WTO issues. Although the WTO agreements are available to the public on the WTO website, as well as the worldtradelaw.net website, most scholars and practitioners will want a compact volume to carry and to underline. Cambridge U. Press has put a sturdy binding on the paperback volume. The one flaw in the volume is that it omits the plurilateral agreements, such as the Agreement on Government Procurement. It would also be helpful in a future edition to improve the usability of the Table of Contents.

The Authoritative Text for the WTO - Caution Only for Trade Nerds

By Eric H.

For anyone that has a personal or professional interest in international trade, you must have a copy of the "The Legal Texts: The Results of the Uruguay Round of Multilateral Trade Negotiations". It is simply the best reference guide to the multilateral trade agreements that govern global trade. As mentioned in other reviews, the legal texts are available online at the World Trade Organization (WTO) website; that said, having a hard copy is very convenient for quick reference checks.
