Unfortunately for the clueless and cocky baseball jock, his fake plot leads him to an unexpected and fearful destination. The Perfect Weekend Read

By Dr Jekyll & Mr Hyde

What a wild journey this book has been! Honestly, words in this review can't do this story justice. As I read the story through squinted eyes--squinted from both a combination of repulsion brought on by Jeb's initial conduct towards Ryan coupled with a basic fear for Ryan's life--I was both emotionally and physically engaged as no other piece of writing has ever done. I cannot say that I have ever read erotica before; nor have I delved into the world of BDSM. Had I known the story contained these kink elements, I would have never opened this book. I am so glad I did, though! If that world is not to your liking, I especially encourage you to read this book. Why? By the book's end, you will feel as if you were the main character--abducted, humiliated, shackled, flogged, but yet eventually loved, respected, and an equal. The author vividly relays inner dialogue and emotions to bring the reader into the narrative as the book is cleverly and tightly written in first person. Still in doubt? If you want intense reading, select this story. This story is not for the faint of heart. If most other m/m erotica is a sweet green bell pepper, this story is a habanero.

Intense

By Debbie

This book was so intense and dark, I was blindsided with how much I was turned on. Jeb and boy aka Ryan are such an unlikely pair.

Ryan was tortured by his father and crazy religious step mom, he did the only logical thing. He ran away. His plan was perfect until his car broke down and asked Jeb for help.

Jeb kidnapped, beat and raped Ryan repeatedly. Ryans life will never be the same and neither will Jeb's

Love this series!

By Josh Hunter

I'm so glad they finally brought the whole series together in one edition. This a great story when you're in the mood for a dark BDSM fantasy. It's told from the point of view of a straight baseball jock who's abducted and trained as a gay sex slave. And there's a good supernatural twist. Very satisfying read.
