Merely web page by page depending upon the moment that you need to check out [The Witching Way Of Hollow Hill By Robin Artisson](#)

THE WITCHING WAY OF HOLLOW HILL BY ROBIN ARTISSON PDF

This is a book that acts as a 'traveler's guide' to a hidden country within each human being. Primal peoples all over the world embrace the ideas discussed in this work: the animistic worldview, spiritual communion with the dead and the Unseen World, sorcery and magic.

Author and traditional witch Robin Artisson explores these mystical themes from the perspective of The Old Faiths and pre-Christian metaphysical impulses of Europe and the British Isles. Bringing a new perspective to these ancient practices and making them more accessible, this book is a key to the door that leads into the mythical dimension of each person, and every feature of the sacred landscape. It helps to unlock the hidden wisdom in folklore, shed light on the enigma of the human being, and manifest an experience of the wisdom of the Old Ways- insofar as a book can. This book is about getting out of books and back into the spiritual dimension of the Land itself, and requires considerable dedication and work.

Originally self-published by the author, this is the Kindle version of the third edition of this popular book.

Very satisfying like a good steak.

By Anthony Fasolo, Jr.

This is a very deep and well written book on traditional British witchcraft. I would recommend that you reserve a good amount of time to read it since it tends to be a bit steep. I would say that this is written on at least a 10 to 12 grade reading level. So if you're looking for your typical Llewellyn, simple to read, surface Wicca/witchcraft manual you might want to pass on and look for something more comprehensible. But if you want something that you can truly sink your teeth into both on a spiritual/mystical as well as a witchcraft level this book may suit you.
