I'm so in love with Ace it hurt my soul this book ended. This book was good from beginning to end just like parts 1&2. The best part was Aaliyah tagging Sunshine ass! I don't want to give more away so go get it and find out how good it was good yourself. Great job Jazmyne!!

Ace Has A Team Of Go Getters, BOMB.COM

By Amazon Customer

This was fiyah, Ace had a team of true soilders holding him down and they had a crew of ladies who was down for there men. No questions asked, that dam Aaliyah was the epick woman. She had me sitting on the front row of the big screen. Amir was the true definitions of a BOSS, a MAN and a FATHER. Like he said all he has is his word and he kept ut at every turn. Loved this whole series. Sunshine gave being a mother a whole new outlook with her actions, selfish is an under statement for her character. Sad but true many woman act as she did, everyday. Adam all i can say is, jealousy is the devil. He wanted to be his brother so bad but he wasnt cut out to walk a mile in Ace shoes bfore he would be ready to tuck his tail and crawl in a hole. Jvion, no commen, gma always said if you cant say nothing nice say nothing at all and my words are R RATED when it comes to him and Parker. Yeah for those picky readers, who act like they havent ever made a mistake. Enjoy mine and Get over yourselves, I mean really every book can't be perfect as long as you enjoy the story and know what the author is trying to say thats all that matters. Jazmyne this was my first series by you, I asure you it want be my last. You did a very good job, characters were well developed, the story came together nicely you keep shining I see great things in your future between the pages of your books.
