Simply conserve the requested book downloaded and then you can appreciate the book to read whenever and also place you really want.

# **TWELVE ORDINARY MEN: HOW THE MASTER SHAPED HIS DISCIPLES FOR GREATNESS, AND WHAT HE WANTS TO DO WITH YOU BY JOHN MACARTHUR PDF**

Contrary to popular belief, we do not have to be perfect to do God's work. Look no further than the twelve disciples whose many weaknesses are forever preserved throughout the pages of the New Testament. Jesus chose ordinary men - fisherman, tax collectors, political zealots - and turned their weakness into strength, producing greatness from utter uselessness. MacArthur draws principles from Christ's careful, hands-on training of the original twelve disciples for today's modern disciple - you.

The apostles as ordinary men who were the leaders of Christianity.

By Robert R. Bash

Well written, easy to read, and full of good information. This book presents the apostles as Jesus saw them and as they were, twelve ordinary men.

0 of 0 people found the following review helpful.

Excellent small group study material!

By GoMizzou99

Very well written in easy English - no post-doctorate theologian. My small group enjoyed this study very

much and because of McArthur's easy writing style, I am sure we will look at more of his study guides. The accompanying workbook is also very much in depth, but was a huge aid to understanding the study.

4 of 5 people found the following review helpful.

Recommend for pastors or theologians... not for those early in their Christian pursuits

By Christian

Perhaps I'm just not ready for this book. I am greatly preferential to books that "directly give guidance" on how to better live a Christian life. This book does not do this; rather you could infer inspiration by the ordinary who did lead extraordinary lives as Christians... or at least deepen your knowledge of the apostles. The book was also a little slow and redundant. Things that could be stated in 1 paragraph were shared in a page... It was not an easy book to "get into".

I recommend this book for only for people who are extremely mature in their spiritual journey... such as pastors or theologians.
