The hour is at hand, when the humanity of this Earth must give more recognition to the Activity of the Great Ascended Masters and Angelic Host, who are constantly pouring out Their Transcendent Light, Assistance, and Supply to mankind. There must come more gratitude to God for the Blessings that are so lavishly and constantly bestowed on mankind. These great Gifts are supplied to mankind from the Beloved Lord the Maha Chohan, the Powers of Nature and the Beings of the Elements. Therefore it is time mankind awoke to their responsibilities in the use of these Blessings.

Beloved Godfre reminds us: "It is up to you whose homes are here in America, who earn your living in America, and whose supply in America blesses you; it is up to you to protect that supply for the other people in America and the generations that are to build Her into the Ascended Master Nation of the future. Your obligation to your Country is even greater than it is to your own outer activities, although you cannot possibly bless your Nation and not be more supplied individually. You cannot possibly call for your Nation with your intent to bless all and shatter that which limits, without increasing everything that blesses the Nation.

Will you love America enough to protect Her homes, to protect Her people--to give the supply and protect the supply God has given, until the Cosmic Light reaches the point where the human selfishness and discord is dissolved from the planet?" .....The Voice of the "I AM" 85.4:11, 25

...."there is presented in this Volume a series of Dictations by the Great Ascended Masters on the Law of Life regarding Supply. Read, study, and be blessed!
