About the Author

Thomas E. Patterson is Bradlee Professor of Government and the Press in the John F. Kennedy School of Government at Harvard University. He was previously distinguished professor of political science in the Maxwell School of Citizenship at Syracuse University. Raised in a small Minnesota town near the Iowa and South Dakota borders, he was educated at South Dakota State University and the University of Minnesota, where he received his Ph.D. in 1971. Currently running the "Vanishing Voter" study at the Kennedy School of Government, which has been widely used in the media and on college campuses, Tom is also the author of six books and dozens of articles, which focus primarily on the media and elections. His book, 'Out of Order'(1994), received national attention when President Clinton said every politician and journalist should be required to read it. An earlier book, 'The Mass Media Election'(1980), received a 'Choice' award as Outstanding Academic Book, 1980-81. Another of Patterson's books, 'The Unseeing Eye'(1976), was recently selected by the American Association for Public Opinion Research as one of the fifty most influential books of the past half century in the field of public opinion. His current research includes a study of White House communication and a study of the news media's role in Western democracies. His work has been funded by major grants from the National Science Foundation, the Markle Foundation, the Smith-Richardson Foundation, the Ford Foundation and the Pew Charitable Trusts.

WE THE PEOPLE BY THOMAS PATTERSON PDF

This concise yet comprehensive book provides a positive, lively, future-oriented narrative introduction to American government and politics. We the People presents material with a currency and relevancy that captures the vivid world of real-life politics. In addition, the text challenges readers to think critically; by giving contextual understanding of major concepts and issues, it encourages them to think about the implications for society and themselves. We the People delves deeper into the basics than most brief books, and each of the 17 chapters (including 3 policy chapters) concludes with a reading selection (each from a different paper around the country) and an extensive bibliography. The seventh edition has been thoroughly updated to capture recent developments, including the 2006 elections.

Approved by broke college student :)
By jskinner125
Arrived exactly when it was supposed to and exactly as described. I got this for a college class and it saved me a TON of money rather than buying it from the bookstore. My book was exactly like everyones elses except much cheaper than the ones bought from the campus bookstore.

Great quality! So pleased with this book
By Madison randolph
Great quality ! So pleased with this book. In great condition , no writing inside.

Easy Read...
By Andrew A. Payton
I am using this book for my political science course in college. It has not only explained things clearly, but it is extremely easy to read and understand. I knew a lot about politics before and after reading this book, I gained more knowledge and it will be used in daily life.
