Edwin arises from his debauchery with the servant to find Dame Mary in his room; Dame Mary reveals that she stayed in the next room the night before, and observed his activities through a peep-hole. She approves of his liberal use of the girl's body, and encourages him to go further and explore everything available to him.

That night, again a little overcome by the rich food and fine wine now available to him, Edwin sends for the buxom redhead Amanda once more, and instructs her to bring a friend. To his surprise, she brings the footman, James. Edwin sends Amanda to find another girl, but once alone, James suggests that men can find an outlet for their lusts together. Yet another choice for the new Lord Marchmont: what limits are there to pleasure, when all of the usual limits are taken away?

Note: This erotic interlude features explicit scenes sex and debauchery intended for 18+ audiences. It is part 3 of the "New Man of the House" series.

Excerpt:

The two girls, now, were locked in a deep kiss, their lips pressed tightly together, their tongues clearly wrestling each with the other. Amanda's hands were clasped around Emily's neck, and Emily's were on Amanda's breasts, squeezing them so firmly that the flesh seemed about to burst from between her fingers. They ceased their lip-lock momentarily, and Emily leant down to nibble at Amanda's large pink nipples.

Edwin would have loved to have been between them, to join in such depravity.

He would have made them suck his cock, would have come all over them, would have fucked both their arses, anything to add to the unbridled defilement. And yet David's sure grip on his cock was more than he needed at the moment; indeed, a climax was irreversibly beginning to build in him, and he didn't know exactly what David might do when he erupted.

Amanda looked over to check on the two of them, and that was a delight as well, to have the girl watch his own defilement at David's hands. Then she pushed Emily over onto the bed and lay down atop her.

She had, Edwin realised, been ensuring that he would still be able to see them both clearly enough, and indeed he was. He watched, rapt, as Amanda slid down the other girl's body until her face was between Emily's thighs.

Edwin wished he could see it all, the tongue separating those smooth pink lips and burying itself inside her

hole. But Emily's reaction was quite enough for the time being. Her head thrashed from side to side, her eyes squeezed shut, and her hands tugged hard at her own tits, the small nipples pinched between her fingers. The flesh of her teats was quite distorted, and looked quite painful, which of course made it all the more desirable.

He wasn't quite sure why, but Edwin patted David on the head and gestured over at the two girls. David released him with a soft pop, and turned to see, leaving one hand lightly stroking up and down Edwin's shaft.

Amanda was now gripping Emily's buttocks in her hands, as if to pull herself even more tightly to Emily's eager fanny. Emily was clearly in ecstasy, biting her lower lip and moving her thighs up and down as if to draw Amanda ever closer...

Not that great

By Amazon Customer

Not much storyline maybe because I did not read the series prior to this one that it seemed somewhat insubstantial for the price.
