WILLFUL MISS WINCHESTER BY CELESTE JONES PDF

Rash, brash and low on cash. Miss Charlotte Winchester sailed across the Atlantic ready to partake of all London had to offer the favorite sister of Lord Thomas Winchester.

What a shock for our impulsive adventurer when she arrives at her brother's London townhouse to find he and his wife sailed for America weeks before.

Reclusive widower Lord Lucas Tanner wanted nothing more than to live in obscurity while continuing to mourn the loss of his wife and infant son. When his house burns to the ground, he accepts the invitation of his friend, Lord Thomas Winchester, to reside at his home while Thomas and Lady Katherine visit America. All goes well for him until Charlotte shows up on his door.

Cultures and passions clash when these two unlikely roommates are forced to share a home. Will they draw a chalk line through the center of the parlor, or will their acrimony turn to matrimony?

CHARLOTTE TAKES LONDON BY STORM

By Redrabbitt

Charlotte Winchester decides to leave America and take a ship to London to visit her brother, Lord Thomas Winchester and his wife, Lady Katherine. London isn't really ready for the likes of Charlotte and her bold outspoken ways. Better yet, Thomas and Katherine have gone to America for a visit. Lord Lucas Tanner, widower, is staying at the Winchester home after his residence has burnt down. What a shock to his Lordship to deal with the crass Miss Winchester. He finds himself taking this hoyden over his knee because she dares him, but it won't be the last time either. I laughed out loud so many times reading this humorous story. London won't be the same with Charlotte in country! This story has a plot and dialogue that is witty and entertaining.

Short, sweet and sassy!

By BB reader

This was definitely a short story, but that doesn't mean it wasn't a good one!! I just LOVED the two main characters: Charlotte and Lucas! They really had sparks flying from the very beginning! Charlotte was every bit the sassy demanding runaway sister from America, and Lucas was the well-mannered English Gentleman. That is until she pretty much dares him to spank her! Laugh out loud funny and very sweet!!

This is the next book about the Winchesters. Charlotte is Lord Thomas's sister and she decides to cross the ocean by herself without telling anyone. When she arrives, she finds out the Thomas and Katherine have left to visit America. But, staying at their home is Lord Lucas Tanner. He grates on Charlotte's nerves and she decides to act like the uneducated savage that she thinks Lucas feels she is. Of course, Lucas doesn't allow her to get away with it and Charlotte has a sore bottom to contend with. They continue to match their wits together, with Charlotte coming out with the short end of the stick. I really enjoyed this story. My only complaint is that the book wasn't longer. I give this 5 stars.
